

## Oliver Zeter Sauvignon Blanc Fumé 2016

Lightly sweet and grassy on the nose with some floral notes and real fatness of fruit. Rather exotic - like a tropical fruit - passion fruit? Long and rich but tied up at the end by very fresh acidity. I think many people would enjoy this. Though not Sancerre purists. Screwcap and nice modern packaging with a line drawing of a wine-drinking bear on the label. Another successful Pfalz Sauvignon Blanc 16.5
